

**Lithuania is divided into four regions:
Aukštaitija, Dzūkija, Žemaitija and Suvalkija.
Our district belongs to Suvalkija.
Suvalkija's capital is Marijampolė, that is 24 kilometres from
Vilkaviškis.**

GRAŽIŠKIAI

Gražiškiai is a small town in Vilkaviškis district, 24 kilometres away from Vilkaviškis.

It has about 400 inhabitants.

The place has a unique tradition called “Making dance “Šyvis”, the horse”.

Below is the picture of this tradition

GRAŽIŠKIŲ GYMNASIUM

The first primary school in Gražiškiai was founded in 1623.

**The present building was built in 1951,
later it was expanded.**

**Recently our school has been renovated
and is constantly being modernized.**

In 2010 it gained the status of gymnasium.

- **Traditions of our school is one of the strongest points. We have been working hard to achieve it and now we can state that it also considerably adds to positive microclimate.**

Contest for primary school pupils “Let’s Help Children to Start Loving Books”

Traditional “Teachers’ Day”, October 5th

“The Exam of Constitution“, Constitution Day
