

France TOP 5 august songs

One Direction “Drag me down”

I've got fire for a heart
I'm not scared of the dark
You've never seen it look so easy
I got a river for a soul
And baby you're a boat
Baby you're my only reason

If I didn't have you there would be nothing left
The shell of a man who could never be his best
If I didn't have you, I'd never see the sun
You taught me how to be someone, yeah

All my life
You stood by me
When no one else was ever behind me
All these lights
They can't blind me
With your love, nobody can drag me down

All my life
You stood by me
When no one else was ever behind me
All these lights
They can't blind me
With your love, nobody can drag me down

Nobody, nobody
Nobody can drag me down
Nobody, nobody
Nobody can drag me down

I got fire for a heart
I'm not scared of the dark
You've never seen it look so easy
I got a river for a soul
And baby you're a boat
Baby you're my only reason

If I didn't have you there would be nothing left (nothing left)
The shell of a man who could never be his best (be his best)

If I didn't have you, I'd never see the sun (see the sun)
You taught me how to be someone
Yeah

All my life
You stood by me
When no one else was ever behind me
All these lights
They can't blind me
With your love, nobody can drag me down

Nobody, nobody
Nobody can drag me down
Nobody, nobody
Nobody can drag me

All my life
You stood by me
When no one else was ever behind me
All these lights
They can't blind me
With your love, nobody can drag me down

All my life
You stood by me
When no one else was ever behind me
All these lights
They can't blind me
With your love, nobody can drag me down

Nobody, nobody
Nobody can drag me down
Nobody, nobody
Nobody can drag me down

Nobody, nobody
Nobody can drag me down
Nobody, nobody
Nobody can drag me down

There are only short forms, no mistakes or slang

Kygo & Parson James “**Stole the show**”

Darling, darling, oh, turn the lights back on now
Watching, watching, as the credits all roll down
Crying, crying, you know we're playing to a full house, house

No heroes, villains, one to blame
While wilted roses filled the stage
And the thrill, the thrill is gone
Our debut was a masterpiece
But in the end for you and me
Oh, the show, it can't go on

We used to have it all, but now's our curtain call
So hold for the applause, oh
And wave out to the crowd, and take our final bow
Oh, it's our time to go, but at least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show

Darling, darling, you know that we are sold out
Kisses fading, but the band plays on now
We're crying, crying, so let the velvet roll down, down

No heroes, villains, one to blame
While wilted roses fill the stage
And the thrill, the thrill is gone
Our debut was a masterpiece
Our lines we read so perfectly
But the show, it can't go on

We used to have it all, but now's our curtain call
So hold for the applause, oh
And wave out to the crowd, and take our final bow
Oh, it's our time to go, but at least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Stole the show
Least we stole the show
Stole the show
Least we stole the show

In this song there are some shortening and short forms

Calvin Harris & Disciples “**How deep is your love**”

I want you to breathe me
Let me be your air
Let me roam your body freely
No inhibition, no fear

How deep is your love?
Is it like the ocean?
What devotion are you?
How deep is your love?
Is it like nirvana?
Hit me harder, again
How deep is your love?
How deep is your love?
How deep is your love?
Is it like the ocean?
Pull me closer, again
How deep is your love?
How deep is your love?
Open up my eyes and
Tell me who I am
Let me in on all your secrets
No inhibition, no sin

How deep is your love?
Is it like the ocean?
What devotion? Are you?
How deep is your love?
Is it like nirvana?
Hit me harder, again
How deep is your love?
How deep is your love?
How deep is your love?
Is it like the ocean?
Pull me closer, again
How deep is your love?
How deep is your love?
How deep is your love?

So tell me how deep is your love, can we go deeper?
So tell me how deep is your love, can we go deep?

So tell me how deep is your love, can we go deeper?
So tell me how deep is your love, can we go deep?
(How deep is your love?)
So tell me how deep is your love, can we go deeper?
So tell me how deep is your love, can we go deep?
(How deep is your love?)
So tell me how deep is your love, can we go deeper?
(Pull me closer, again)
So tell me how deep is your love
How deep is your love?
How deep is your love?
How deep is your love?
So tell me how deep is your love, can we go deeper?
So tell me how deep is your love, can we go deep?
(How deep is your love?)
So tell me how deep is your love, can we go deeper?
So tell me how deep is your love, can we go deep?

This song is written totally correctly (quite a rare case). There are no short forms, slang, shortening or colloquial speech.

Lost Frequencies featuring Janieck Devy “**Reality**”

Decisions as I go, to anywhere I flow
Sometimes I believe, at times where I should know
I can fly high, I can go long
Today I got a million, tomorrow, I don't know
Decisions as I go, to anywhere I flow
Sometimes I believe, at times where I should know
I can fly high, I can go long
Today I got a million, tomorrow, I don't know
Stop crying like you're home and think about the show
We're all playing the same game, laying down alone
We're unknown and wrong, special when I come.
Hate will make you cautious, love will make you glow.
Make me feel the warm, make me feel the cold.
It's written in our story, it's written on the walls.
This is our call, we rise and we fall.
Dancin' in the moonlight, don't we have it all?
Decisions as I go, to anywhere I flow.
Sometimes I believe, a time where we should know.
I can fly high, I can go long.
Today I got a million, tomorrow, I don't know.
Make me feel the warm, make me feel the cold.
It's written in our story, it's written on the walls.
This is our call, we rise and we fall.
Dancin' in the moonlight, don't we have it all?

Here we can see some short forms and words shortening

Robin Schulz featuring Francesco Yates “**Sugar**”

She's got cherry lips

Angel eyes

She knows exactly how to tantalize

She's out to get you danger by design

Cold blooded vixen she don't compromise

She's something mystical in colored lights

So far from typical but take my advice

Before you play with fire do think twice

And if you get burned don't be surprised

Got me lifted drifted higher than the ceiling

And ooh baby it's the ultimate feeling

You've got me lifted feeling so gifted

Sugar how you get so fly?

Sugar how you get so fly?

Sugar how you get so fly?

Sugar sugar how you get so fly?

Sugar how you get so fly?

Sweet talkin' lady

Love how you entice

Sugar with just the right amount of spice

Charming alluring everyone's desire

She's out to get you you can't run you can't hide

She's something mystical in colored lights

So far from typical but take my advice

Before you play with fire do think twice

And if you get burned well baby don't you be surprised

Got me lifted drifted higher than the ceiling

And ooh baby it's the ultimate feeling

You've got me lifted feeling so gifted

Sugar how you get so fly?

Sugar how you get so fly?

Sugar how you get so fly?

Sugar how you get so fly?

Sugar how you get so fly?

Sugar how you get so fly?
Sugar how you get so fly?
Sugar how you get so fly?
But you won't get me tonight

Got me lifted drifted higher than the ceiling
And ooh baby it's the ultimate feeling
You've got me lifted feeling so gifted
Sugar how you get so fly?

Sugar how you get so fly?
Sugar how you get so fly?
Sugar how you get so fly?
Sugar how you get so fly?

Lots of short forms and only one shortened word
