Frequencies feat. Jenieck Devy- Reality

Decisions as I go, to anywhere I flow.

Sometimes I believe, a time where we should know.

I can't fly high, I can't go long.

Today I got a million, Tomorrow, I don't know.

Decisions as I go, to anywhere I flow.

Sometimes I believe, a time where we should know.

I can't fly high, I can't go long.

Today I got a million, Tomorrow, I don't know.

Stop crying like you're home and think about the show.

We're all playing the same game, I'm laying down along.

We're unknown and wrong, special when I come.

Hate will make you cautious, love will make you glow.

Make me feel the warm, make me feel the cold.

It's written in our story, it's written on the walls.

This is our call, we rise and we fall.

Dancin' in the moonlight, don't we have it all?

Decisions as I go, to anywhere I flow.

Sometimes I believe, a time where we should know.

I can't fly high, I can't go long.

Today I got a million, Tomorrow, I don't know.

Make me feel the warm, make me feel the cold.

It's written in our story, it's written on the walls.

This is our call, we rise and we fall.

Dancin' in the moonlight, don't we have it all?

2#

Wiz Khalifa & Charlie Puth-

see you again.

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

Damn, who knew?

All the planes we flew

Good things we've been through

That I'll be standing right here talking to you

'Bout another path

I know we loved to hit the road and laugh

But something told me that it wouldn't last

Had to switch up

Look at things different, see the bigger picture

Those were the days

Hard work forever pays

Now I see you in a better place (see you in a better place)

Uh

How can we not talk about family when family's all that we got?

Everything I went through you were standing there by my side

And now you gon' be with me for the last ride

It's been a long day without you, my friend

And I'll tell you all about it when I see you again (I see you again)

We've come a long way (yeah, we came a long way) from where we began (you know we started)

Oh, I'll tell you all about it when I'll see you again (let me tell you)

When I'll see you again

First you both go out your way

And the vibe is feeling strong

And what's small turn to a friendship

A friendship turn to a bond

And that bond will never be broken

The love will never get lost (and the love will never get lost)

And when brotherhood come first

Then the line will never be crossed

Established it on our own

When that line had to be drawn

And that line is what we reach

So remember me when I'm gone (remember me when I'm gone)

So let the light guide your way, yeah

Hold every memory as you go

And every road you take, will always lead you home, home

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again.

3#

Ed sheeran feat. Rudimental-

Bloodstream

I've been spinning now for time

Couple women by my side

I got sinning on my mind

Sipping on red wine

I've been sitting here for ages

Ripping out the pages

How'd I get so faded?

How'd I get so faded?

Oh, no, no, don't leave me alone lonely now

If you loved me how'd you never learn?

Oh, coloured crimson in my eyes

One or two could free my mind

This is how it ends.

I feel the chemicals burn in my bloodstream

Fading out again.

I feel the chemicals burn in my bloodstream

So tell me when it kicks in

Well, tell me when it kicks in

I've been looking for a lover

Thought I'd find her in a bottle

God, make me another one

I'll be feeling this tomorrow

Lord, forgive me for the things I've done

I was never meant to hurt no one

I saw scars upon a broken-hearted lover

Oh, no, no, don't leave me alone lonely now

If you loved me how'd you never learn?

Oh, coloured crimson in my eyes

One or two could free my mind

This is how it ends.

I feel the chemicals burn in my bloodstream

Fading out again.

I feel the chemicals burn in my bloodstream

So tell me when it kicks in

Well, tell me when it kicks in

Well, tell me when it kicks in

All the voices in my mind

Calling out across the line

Tell me when it kicks in

I saw scars upon her

Tell me when it kicks in

4#

Kygo feat. Conrad Sewell

Firestone.

I'm a flame

You're a fire

I'm the dark in need of light

When we touch, you inspire

Feel the change in me tonight

So take me up, take me higher

There's a world not far from here

We can dance in desire

Or we can burn in love tonight

Our hearts are like firestones

And when they strike, we feel the love

Sparks will fly, they ignite our bones

But when they strike, we light up the world

Our hearts are like firestones

And when they strike, we feel the love

Sparks will fly, they ignite our bones

But when they strike, we light up the world

We light up the world

We light up the world

Oooh oooh

World

Oooh oooh

Firestone

I'm from X, you're from Y

Perfect strangers in the night

Here we are, come together

To the world we'll testify

Our hearts are like firestones

And when they strike, we feel the love

Sparks will fly, they ignite our bones

But when they strike, we light up the world

Our hearts are like firestones

And when they strike, we feel the love

Sparks will fly, they ignite our bones

And when they strike, we light up the world

We light up the world

We light up the world

Ooh ooh

World

Ooh ooh

Firestone

5#

Kygo feat. Parson James-

Stole the show.

Darling, darling, oh, turn the lights back on now  
Watching, watching, as the credits all roll down  
Crying, crying, you know **we're** playing to a full house, house

No heroes, villains, one to blame  
While wilted roses filled the stage  
And the thrill, the thrill is gone  
Our debut was a masterpiece  
But in the end for you and me  
Oh, the show, it **can't** go on

We used to have it all, but **now's** our curtain call  
So hold for the applause, oh  
And wave out to the crowd, and take our final bow  
Oh, **it's** our time to go, but at least we stole the show  
At least we stole the show  
At least we stole the show  
At least we stole the show  
At least we stole the show

At least we stole the show

Darling, darling, you know that we are sold out

This is fading, but the band plays on now

We're crying, crying, so let the velvet roll down, down

No heroes, villains, one to blame

While wilted roses fill the stage

And the thrill, the thrill is gone

Our debut was a masterpiece

Our lines we read so perfectly

But the show, it can't go on

We used to have it all, but now's our curtain call

So hold for the applause, oh

And wave out to the crowd, and take our final bow

Oh, it's our time to go, but at least we stole the show

At least we stole the show

At least we stole the show

At least we stole the show

Stole the show

At least we stole the show

Stole the show

At least we stole the show
