

USA TOP 40 (TOP 10 SONGS)
SUMMER 2015

1. See You Again - Wiz Khalifa & Charlie Puth

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again

Damn, who knew?
All the planes we flew
Good things we've been through
That I'll be standing right here talking to you
'Bout another path
I know we loved *to hit the road* and laugh
But something told me that it wouldn't last
Had to *switch up*
Look at things different, see the bigger picture
Those were the days
Hard work forever pays
Now I see you in a better place (see you in a better place)

Uh
How can we not talk about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gon' be with me for the last ride

It's been a long day without you, my friend
And I'll tell you all about it when I see you again (I see you again)
We've come a long way (*yeah*, we came a long way) from where we began (you know we started)
Oh, I'll tell you all about it ~~when I'll~~ see you again (let me tell you)
~~When I'll~~ see you again

First you both go out your way
And the vibe is feeling strong
And what's small turn to a friendship
A friendship turn to a bond
And that bond will never be broken
The love will never get lost (and the love will never get lost)
And when brotherhood come first
Then the line will never be crossed
Established it on our own
When that line had to be drawn
And that line is what we reach
So remember me when I'm gone (remember me when I'm gone)

So let the light guide your way, *yeah*
Hold every memory as you go
And every road you take, will always lead you home, home

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again.

There are just short forms and a few incorrect structures. <https://www.youtube.com/watch?v=RgKAFK5djSk>

2. Bad Blood - Taylor Swift

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

Did you have to do this? I was thinking that you could be trusted
Did you have to ruin what was shiny? Now it's all rusted
Did you have to hit me, where I'm weak? Baby, I couldn't breathe
And rub it in so deep, salt in the wound like you're laughing right at me

Oh, it's so sad to think about the good times, you and I

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

Did you think we'd be fine? Still got scars on my back from your knife
So don't think it's in the past, these kinda wounds they last and they last.
Now did you think it all through? All these things will catch up to you
And time can heal but this won't, so if you're coming my way, just don't

Band-aids don't fix bullet holes
You say sorry just for show
If you live like that, you live with ghosts (ghosts)
Band-aids don't fix bullet holes (hey)
You say sorry just for show (hey)
If you live like that, you live with ghosts (hey)
If you love like that blood runs cold

Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

4. Shut Up And Dance - Walk The Moon

"Oh don't you dare look back.
Just keep your eyes on me."
I said, "You're holding back, "
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-oo-hoo,
Shut up and dance with me."

We were victims of the night,
The chemical, physical, kryptonite
Helpless to the bass and the fading light
Oh, we were bound to get together,
Bound to get together.

She took my arm,
I don't know how it happened.
We took the floor and she said,

"Oh, don't you dare look back.
Just keep your eyes on me."
I said, "You're holding back, "
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-oo-hoo,
Shut up and dance with me."

A backless dress and some beat up sneaks,
My discothèque, Juliet teenage dream.
I felt it in my chest as she looked at me.
I knew we were bound to be together,
Bound to be together

She took my arm,
I don't know how it happened.
We took the floor and she said,

"Oh, don't you dare look back.
Just keep your eyes on me."

I said, "You're holding back, "
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo,
Shut up and dance with me."

Oh, come on girl!

Deep in her eyes,
I think I see the future.
I realize this is my last chance.

She took my arm,
I don't know how it happened.
We took the floor and she said,

"Oh, don't you dare look back.
Just keep your eyes on me."
I said, "You're holding back, "
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo,
Shut up and dance!"

"Don't you dare look back.
Just keep your eyes on me."
I said, "You're holding back, "
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo,
Shut up and dance with me."
